

Chanticleer Lifestyle Tasting

A tour and tasting at a beautiful Napa Valley French Country estate with spectacular views and a intimate wine cave. Personally hosted by owner, George Grodahl, you will experience what is best described as a “lifestyle” tasting. The tour begins in the home with a brief history of Chanticleer and explanation of the source of the name. It proceeds to the wine cave where the two estate wines, Cabernet Sauvignon and Sangiovese, are tasted paired with cheese, crackers and chocolate.
